

KANGAROO INN AREA SCHOOL

NEWSLETTER

FROM THE PRINCIPAL

TERM 4 WEEK 3 - 03/11/2023

BUSHFIRE SEASON

Bushfire season will start for our district on the 22/11/23. Due to our high-risk site rating, Kangaroo Inn Area School is closed on catastrophic bushfire days. This term, due to the replacement of our bushfire water tanks and pumps, we are unable to access our bushfire sprinklers and other mitigation measures if the power is out. We will be monitoring the weather conditions and the risk factors to ensure we are safe. This may mean that we are closed on days which are not catastrophic but which are risky for us to be open due to our vulnerability in a bushfire situation.

If this were to occur, we would discuss the situation with our Education Director and the Security and Emergency section of the Department for Education. We would also contact families to advise them of the possibility of a school closure and once again when the decision is made. This contact would occur via phone, **and so it is extremely important that we have up to date contact numbers for your family. If you need to update your phone numbers**, please call the front office on 87343046 or email emma.chambers387@schools.sa.edu.au.

The work should be completed prior to school commencing in term 1, 2024.

Please read the attached document - **'Bushfires and your child's school or preschool'** as it contains important information for families.

If you have any questions, please contact Annie Matthews on 87343046.

YEAR 12

I would like to take this opportunity to congratulate our 2023 Year 12 students - Lana, Elly, Taevey, Demi and Ryan, and wish them and all the best for their future pathways.

Exams start next week for many of our year 11 and 12 SACE students and the students are studying hard. Good luck for your exams.

KIAS FURNITURE GIVEAWAY

We still have some chairs, tables, primary furniture, and other miscellaneous items to give away. If you need anything you are welcome to come and have a look! We would happily accept a donation for these items.

PRESENTATION NIGHT - 23rd November

We are looking forward to Presentation Night 2023 on the 23rd November. To celebrate our 60th year, we have invited Her Excellency the Honourable Frances Adamson AC, Governor of South Australia to attend and present some awards.

PUPIL FREE - 24th November

On the 24th November we have scheduled a Pupil free Day where staff will work on analysing Progressive Achievement Test (PAT) data and set school, class and individual students' goal for 2024.

Kind regards,
Annie Matthes

DATES TO REMEMBER

Mon. 6th November - Wed. 8th November -
Yr. 7/8 Aquatics Camp

Mon. 6th November - Yr. 12 General Math's Exams

Wed. 8th November - Yr. 12 Essential Math's Exam

Tues. 14th November - Yr. 12 Psychology Exam

Wed. 15th November - Yr. 12 Nutrition Exam

Thurs. 23rd November - Presentation Night

Fri. 24th November - PUPIL FREE DAY

Wed. 29th November - Fri. 1st December -
Transition Days

Mon. 4th - Fri. 8th December - Reception to
Yr. 6 Swimming

Mon. 11th - Fr. 15th December - Activities
Week Yr. 7 - Yr. 9

STRIVE FOR LIFE

Yr. 9 Design and Technology

Beachport Brewery Paddle Inquiry Project

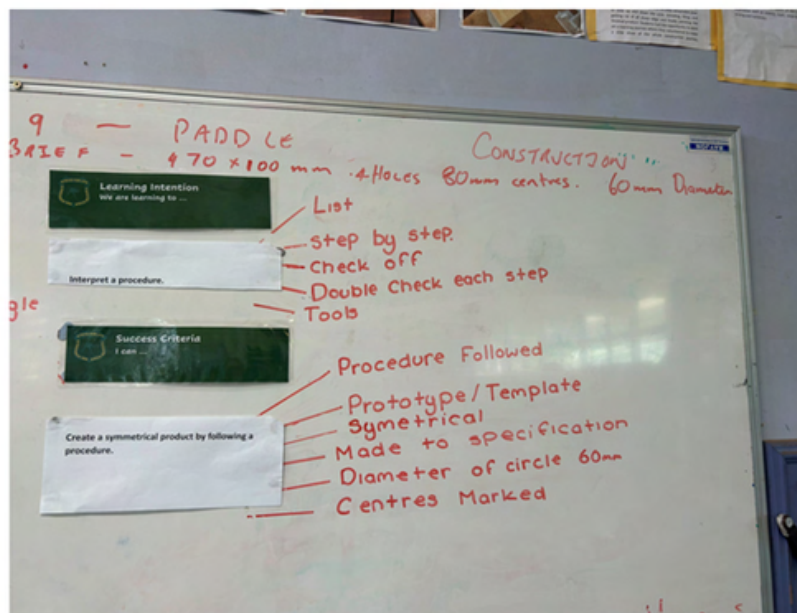

Year 9 Design and Technology students have just completed the construction of “paddles” to hold tasting glasses for the Beachport Brewery. It was the perfect opportunity to engage industry, community and curriculum with students. It provided the opportunity for students to explore the “Design” process as well as sustainable innovation through inquiry as they pursued real world authentic learning opportunities and developed a sense of ownership to their community.

In the creation of their product, students researched designs, and collaborated and communicated with each other to create prototypes. They used numeracy concepts such as number and geometry, as well literacy, procedural concepts throughout the making process. Students incorporated sustainable options such as using donated recycled redgum boards. Millicent High School kindly offered the use of their laser cutter to print the Beachport Brewery logo on the paddles.

Learning and success criteria-

Learning intention- We are learning how to follow a procedure.

Success Criteria: Create a symmetrical product by following a procedure.

Design brief-

A local Brewery has asked us to design a paddle that will hold 4 glasses.

The total length required is 470mm. We allow for extra length if you would like to

add a handle.

The holes need to be 80mm in between centers.

The holes need to be 60 mm in diameter.

The distance from the table to the base of the board needs to be 40 mm.

They need to be finished with 3 coats of varnish. Sand between coat 1 and 2.

Yr. 9 Design and Technology Beachport Brewery Paddle Inquiry Project

Process-

Process-

Evaluation-

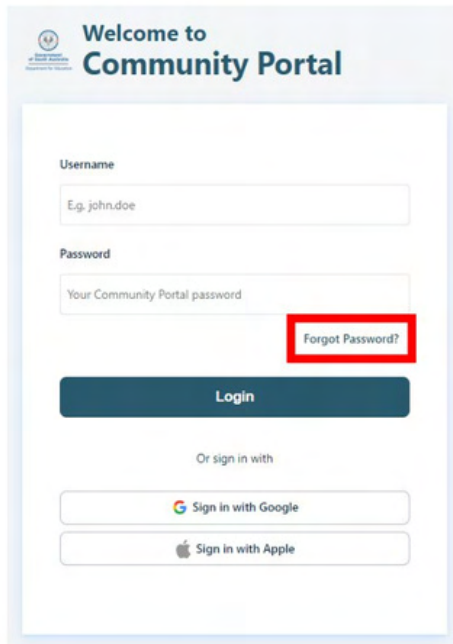

Whilst doing our paddle board, we learnt how to write a procedure. We also learnt what a prototype is. We learnt some numeracy related concepts how to calculate the diameter and radius of a circle.

We enjoyed being able to make something for the community which we might get to use one day.

[Forgot your username?](#)

The **Reset Credentials** window will come up advising you will receive an email with instructions on how to reset the password.

If your **username** exists an email will be sent to the email address that your community portal invitation was sent to. If you don't receive the Reset Credentials email and don't remember your username, please go to **Forgot your username**.

Click on the [here](#) link in the email and enter a **New Password**

A screenshot of the "Reset Credentials" form within the "Welcome to Community Portal" interface. The form has a title "Reset Credentials" and two input fields. The first is labeled "New Password" and contains the placeholder text "New password". Below it is a note: "Password must be at least 8 characters long and contain, A-Z, 1-9, 1 special character, upper case and lower case". The second field is labeled "Confirm New Password" and contains the placeholder text "Repeat your new password". At the bottom of the form are two buttons: a grey "Cancel" button and a blue "Reset Password" button, which is highlighted with a red rectangular border.

Click on 

You will then be directed to the Community Portal dashboard.
